FUNDRAISING

We are a registered charity that relies on fundraising for a large portion of our operating budget. The fundraising commitment for this school year is $180.00 per child enrolled. Parents have the option of **participating** in a variety of fundraising campaigns throughout the year **or paying** $18/month in addition to their tuition fees. Families who choose to fundraise are responsible for making up any shortfall in their fundraising goal.

DUTY DAYS

A parent/caregiver of each child is required to complete duty days, which includes participating regularly as teacher assistants in the school program, no less than twice per month. **It is the responsibility of the parent/caregiver to arrange another parent (and reciprocate later) to cover the scheduled duty day if he or she cannot participate/attend the scheduled duty day for any reason**. If a scheduled duty day is missed and an alternate is not found by the scheduled duty parent, a $25 fee will be charged to the scheduled parent to pay for a replacement duty parent. Any adult who plans to complete a duty day will be interacting with children and is therefore required to complete a **POLICE CLEARANCE** (vulnerable sector screening search), **T.B.TEST** with written results, and the date of your last **TETNUS/DIPHTHERIA** shot (maximum 10 years).
